In order to do justice to the different requirements placed on our products, it is necessary to use various insulating materials tailored to the particular application. None of the insulating materials used by Weidmüller contain any hazardous substances. Above all, we ensure that all our materials are free from cadmium. Furthermore, they contain no colour pigments based on heavy metals and do not lead to the formation of dioxin/furan.

General ordering data

Order No.	3835360000
Type	TST PPT/35
Version	SAK Series, Accessories, Mounting rail support, Anthracite, 3 mm
GTIN (EAN)	4008190542641
Qty.	10 pc(s).
